9 DECLARED PERFORMANCE

Essential characteristic	Performance	Harmonised technical specification
Reaction to fire	A1 · non-combustible (classification to EN 13501-1:2018)	EN 15283-2
Release of dangerous substances	NPD	EN 15283-2
Water vapour permeability	NPD	EN 15283-2
Flexural strength (breaking load)	NPD	EN 15283-2
Thermal resistance	NPD	EN 15283-2

NPD: no performance determined. Reaction-to-fire classification to EN 13501-1:2018 on the basis of tests to EN ISO 1182:2020 and EN ISO 1716:2018.

STATEMENT

The performance of the product identified above is in conformity with the declared performance. This Declaration of Performance is issued, in accordance with Regulation (EU) No 305/2011, under the sole responsibility of the manufacturer identified above. It remains valid as long as the product and EN 15283-2:2008+A1:2009 remain unchanged.

Revision 1 (20 October 2026) replaces the issue of 17 March 2026. Changes: the manufacturer is stated under its registered name KANDES OOD (previously the translated name Kandes Ltd); the signatory is the registered managing director; the intended use is narrowed to interior wall lining in dry interior areas and no longer includes ceilings; release of dangerous substances is now stated as NPD; the essential characteristics are listed in full; the CE marking lists every declared performance; the expiry date is removed, as a declaration of performance has no fixed period of validity; the voluntary density and hardness data moved to the Compliance Summary. The product type, the harmonised standard, the AVCP system and the reaction-to-fire class are unchanged.
